

## DATASHEET OF LED COLD STORAGE LIGHT 80W

|                       |  |
|-----------------------|--|
| Products Name         | LED Cold Storage Light   |
| Item No               | HY-HB-080 ( supplier code no) & 4453 ( Dayan code no)  |
| LED Quantity          | 95pcs x 1W   |
| LED Chip              | SMD3030 led chip   |
| Max Power             | 80W  |
| Lumen                 | 8000lm   |
| LED Lifetime          | 50000h   |
| Beam Angle            | 120°C  |
| Input Voltage         | AC230V   |
| Color Rendering Index | Ra>75  |
| Color Temperature     | 6000-6500K Coolwhite   |
| Material              | Die-cast aluminum base + PC cover + VDE Cable 1000mm + TUV driver+ Aluminum PCB board + SMD LED + Waterproof rubber ring |
| Protection Grade      | IP65   |
| Working Temperature   | -40°C ~55°C  |
| Working Humidity      | 10%~95 %   |
| Installation          | Ceiling, fixed by scerws   |
| Products Size         | 265 x 265 x 84mm   |
