

Valves and Quick Couplers

Valves and Fittings

Quick Coupler Shut-Off Fittings

Use with existing charging hose. Immediately traps refrigerant discharge from hose when disconnected from access fitting. For use with Kobra™ hoses only

Part No.	Description
33112N	1/4" QC x 1/4" SAE
33113N	1/4" QC x 1/4" SAE 90°

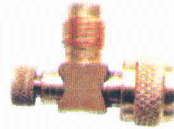

Replacement Parts

Part No.	Description
P90022	O-Ring

1/4" Core Depressor

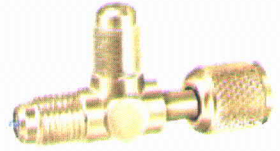

Part No.	Description
A33500	1/4" thumbscrew core depressor

Quick Coupler Access Tee

O-Ring seal quick coupler. Furnished with cap and valve core

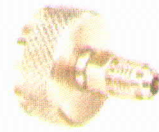

Part No.	Description
A34000	1/4" QC x 1/4" access branch tee
P90009	Replacement O-Ring

Swivel Cylinder Valve

Finger tight seal. Includes gasket

Part No.	Description
CV-20004	3/4" NPS x 1/4" M flare
CV-20006	3/4" NPS x 3/8" M flare

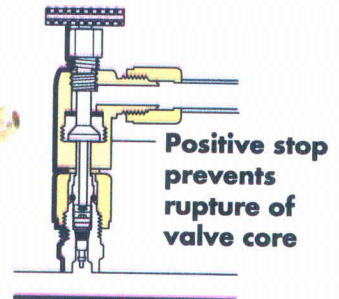

Back Seating Control Valve

Ideal for use on precharged line sets. Eliminates spraying of leak detection dye and refrigerant. Compact brass body for long service. Swivel coupler with double safety grooves.
