

Suniso®
REFRIGERATION OILS

Dear Customer,

Because of their **excellent quality and reputation**, unfortunately SUNISO® products are often reproduced or copied. Only real SUNISO® oils have the **characteristics to assure maximum trouble-free service life**.

Fraudulent copies of genuine SUNISO® products will surely result in **damages to the fine machinery** you are refilling. Its use can and will finally result in irreparable damage. Therefore, it is important to be able to **distinguish the original SUNISO® products** from the fake one.

This **checklist** will assist you in determining if you are **working with a genuine SUNISO®** product or a counterfeit. If eventually you have any doubts about the origin or the quality of your product, don't hesitate to contact our Technical Department **tcs@be.petronas.com**.

Should you have any further questions, don't hesitate to contact your responsible Area Manager.

Kind regards,

SUNISO® team
